

# Wolf Laurel Security Gate Procedures

1. Entry gate to remain closed unless guard is standing in the roadway.
2. All vehicles are required to come to a full stop for recognition by the guard.
3. Exceptions to the full stop requirement are emergency vehicles.
4. Vehicles with a current sticker may proceed without delay.
5. Service and contractor vehicles with company logo may proceed without delay after stating the resident address they are servicing.
6. Contractors in private vehicles will be issued a temporary pass unless registered with Roads and Security Inc. and possess a current sticker.
7. Residents and lot owners without a current sticker must personally sign in with name and address at each entry.
8. Guests must fill in form and receive a temporary pass for display.

## **Notes:**

- a. Current stickers are issued to residents and lot owners who are up to date with assessment fees and to contractors pre-registered with Roads and Security Inc.
- b. Misuse of stickers and defiance of directives could result in non admittance to Wolf Laurel.
